DUFFY BREAKS RECORD

WINS 100-YARD DASH IN 9.3
SECONDS.

NEW YORK, May 31.—Harvard defeated Yale in the contest for championship honors at the Intercollegiate athletic which began yesterday and was concluded today at Berkeley, Cal. The total score was 24 points to 20 for Princeton. The executive committee of the I. C. A. A. held a brief meeting at the hotel today to consider the protest made by Yale against Schick of Harvard, but it was decided to allow the Harvard sprinter to compete in the finals of the 100 yard dash.

The committee adjourned the further hearing of evidence in the case until June 14 or 21, when it will convene in this city for the special purpose. In the decision of the committee to adverse to Schick's appeal, where it hopes to repeat his performance of today.

Arthur F. Duffy created a new world record in the 100-yard dash by winning in 9.3 seconds. He will sail for England two weeks hence and will take part in several athletic meetings during his tour, where he hopes to repeat his performance of today.

New intercollegiate records were established at Yale in the contest for the hammer throw, shot put, pole vault, mile run and 100-yard dash. De Witt of Princeton did not improve on his time of 18.7 seconds in the hammer throw, but Plaw of California was better, throwing 184 feet, 10 inches on his first try. De Witt of Princeton was better in the shot put, throwing 44 feet, 3 inches, showing a improvement of over nineteen feet on his best trial throw yesterday.

In the pole vault Horton of Princeton won first place with the bar at 11 feet, 12 inches, and then after the intercollegiate record of 11 feet, 5 inches, cleared 11 feet, 7 inches.

Duffy's record of 9.3 seconds takes one-fifth of a second off the best previous record.

AMERICANS WIN

TEST POLO MATCH

Their Work Was a Complete Surprise to Experts.

PLAYED FAULTLESS GAME

WATERBURY AND KEENE ARE THE STARS.

LONDON, May 31.—The result of today's test polo match at Hurlingham for the American cup was a complete surprise to all the experts, and was all the more welcome to the huge gathering of Americans. According to all previous form, the English team should have won, but the American team rose splendidly to the occasion and played a nearly faultless game, much better, in fact, than they ever played here before. Waterbury and Keene were the particular stars of the American team, and again and again saved the game.

The arrangements for the great match were admirable, and there was one of the largest gatherings of English poloists seen at Hurlingham for years. The ground was rather soft after the rain of last night, and the ball did not travel freely at any period. What, perhaps, was more astonishing than anything else, was that the American players were at no time out-paced by the English, yet some famous names were playing for England. It would have been difficult to collect a better lot of ponies, but the American animals held their own for speed and beat the English ponies for endurance.

The hitting and combination play of the Americans was magnificent. The English players were sometimes very close to the posts, and indeed, repeatedly shot at the goal, yet they nearly always missed, or the ball was returned to them. Only three times in the whole play did Buckmaster (English) have a hit out from behind his own back line. Nine times in the same period did the Americans hit out bounds to save their goal. The reason for this was that Waterbury's defense was nearly perfect.

An attack in so severe a game as today's is bound to give way at least if it fails to break the defenses, so when the welcome chance came for the Americans to turn their ponies and play with the ball instead of against it, they forwards started fresh with a half-beaten, scattered team opposing them.

Then the long practice of team play told, and the Americans raced through their opponents as though the latter were only novices. Agassiz (American) riding off Miller (English) and Cowdin, Keene and Waterbury (Americans) galloping and galloping the ball from back to forward with a series of splendid near-side forward strokes. This Waterbury's defense must be taken as the main factor in the victory.

Then the American combination play was much better than that of the Hurlingham four. The Americans were always quicker with the ball than their opponents.

HARRY HYND'S BACK OF DEAL

LOCAL GOSSIP AMONG THE BOXERS.

(Special to The Herald.)

New York, May 31.—Tommy Ryan will fight Johnny Gorman in London at the coronation carnival. Just before the Umbria sailed Ryan announced his agreement to fight Kid McCoy at Salt Lake City during the Elks' celebration in August.

"I have just signed articles," he said. "I heard that McCoy's arm was improving so that he was in a position to fight me, and that settled it. After my fight in London I will return here and go to Kansas City. There I will do preliminary training. I will have my final preparation in Utah as Salt Lake is possible. I have agreed to everything asked by McCoy or the Utah people."

For the past month several Salt Lake boxers, together with Harry Hynds of Chicago, have been quietly working to bring these two men together in a twenty-round contest in this city some time this summer. Hynds is now in New York with full power to arrange the match, if possible, and the signing of the articles yesterday is probably the outcome of his efforts. It was learned that the date for the contest has not been set as yet, but will probably be some time around the Elks' carnival.

McCoy has been ready to sign ever since the subject was first presented to him, but Ryan held out for a weight limit he knew McCoy could not make. In order to get the parties together and clinch the match, if possible, Hynds went on to New York with the agreement. The local ring followers have not been slow to catch on to the matter, as they are among the top-notchers of the country.

Jack Clifford is again anxious to butt into the fighting game and try to win more laurels in pugdom. Yesterday he interviewed Manager Osborne of the local athletic club and got a promise for the first open date if a match could be arranged. He called on The Herald last night and said he would agree to meet Phil Green and Young Donovan on the same night and defeat them both in twenty rounds. If these two fighters do not agree to the proposition, Clifford says he will wait. Jack Donnelly of Butte, when asked if he would again meet Wade, Clifford said the Montana man would have a hard time of it, but he would like to fight him if he would be only too glad to again meet him.

Jerry McCarthy announced last evening that he would meet the winner of the LaGrange-King contest Monday night. The matter has been arranged with Manager Osborne, and both King and LaFontaine. McCarthy has fought in more battles in the last six months than any other fighter now in Salt Lake, and in each case has been an easy winner. He says he is now looking for something bigger, and thinks he can hold his own with the best men in his class.

Silent Rowan and Abe Bresnan will meet in a twenty-round contest at Park City tomorrow night. This will be the first bantam-weight fight pulled off in the state for some time and as both men are very clever it should make an interesting bout.

One of the best contests pulled off in the city for many a day is scheduled to take place tomorrow night. Buddy King and Moss Lafontaine are the two pugilists who will do battle. They are both well up in their class and will put up a stiff fight. King is a remarkable clever boxer and will probably do an honest job of the matter. Lafontaine is well known as a boxer in the ring and will keep the colored man going all the time. More interest is centered in this contest than any that has been pulled off in the city for some time.

Corbett and Sullivan Sign. Denver, May 31.—Articles have been signed for a fight between Dave Sullivan and Young Corbett, to take place July 1. The men are to weigh in at 175 pounds at 3 o'clock in the afternoon. Five hundred dollars has been deposited by each as a forfeit, and the Coliseum club has deposited a like amount to guarantee that the fight will come off.

Amateur boxers at the saucer are considerably elated over the transfer of Hoffman and Smith to the professional class. They are entirely too fast for the rest of the bunch and it was sure that Crockett would be the first to start. Now that they are out of the way, it will give the rest of the amateurs a chance and better racing is expected.

TIME WINNER CHANGED.

An Error Gives J. Harry Leyland First Time Prize.

A change has been made in the results of the Decoration day race, which gives J. Harry Leyland the time prize, instead of Crockett, as first announced. When the judges—C. L. Berry, A. Robertson and F. L. Gardner—got together yesterday morning to compare the work of the timers and scores, it was discovered that an error in adding had been made. Crockett's time one minute slower than was at first announced. This rider covered the distance in 5:14, together with his handicap of 2:30, making his time 5:44. In the hurry and excitement of the finish, the time was announced as 5:14, or just one minute too fast.

In going over the figures yesterday morning this error was discovered. And at once corrected. Leyland rode from the three-minute mark and finished in 5:14, which added to his handicap gave him a total time of 5:31, or nineteen seconds faster than Crockett. This gave J. Harry Leyland the time prize. The error was also corrected in the 4:45, or 3:35 with his handicap added. Redman was second, behind Leyland. He also captured the novice time prize.

Opal Club's First Excursion. The Opal Wheel club will give its first summer excursion on the 25th of this month. Crockett canyon is the destination of the club, where a regular picnic will be arranged. A special train will leave this city at 9 o'clock morning and return again the same day.

He says he is now looking for something bigger, and thinks he can hold his own with the best men in his class.

Silent Rowan and Abe Bresnan will meet in a twenty-round contest at Park City tomorrow night. This will be the first bantam-weight fight pulled off in the state for some time and as both men are very clever it should make an interesting bout.

One of the best contests pulled off in the city for many a day is scheduled to take place tomorrow night. Buddy King and Moss Lafontaine are the two pugilists who will do battle. They are both well up in their class and will put up a stiff fight. King is a remarkable clever boxer and will probably do an honest job of the matter. Lafontaine is well known as a boxer in the ring and will keep the colored man going all the time. More interest is centered in this contest than any that has been pulled off in the city for some time.

Corbett and Sullivan Sign. Denver, May 31.—Articles have been signed for a fight between Dave Sullivan and Young Corbett, to take place July 1. The men are to weigh in at 175 pounds at 3 o'clock in the afternoon. Five hundred dollars has been deposited by each as a forfeit, and the Coliseum club has deposited a like amount to guarantee that the fight will come off.

Amateur boxers at the saucer are considerably elated over the transfer of Hoffman and Smith to the professional class. They are entirely too fast for the rest of the bunch and it was sure that Crockett would be the first to start. Now that they are out of the way, it will give the rest of the amateurs a chance and better racing is expected.

TIME WINNER CHANGED.

An Error Gives J. Harry Leyland First Time Prize.

A change has been made in the results of the Decoration day race, which gives J. Harry Leyland the time prize, instead of Crockett, as first announced. When the judges—C. L. Berry, A. Robertson and F. L. Gardner—got together yesterday morning to compare the work of the timers and scores, it was discovered that an error in adding had been made. Crockett's time one minute slower than was at first announced. This rider covered the distance in 5:14, together with his handicap of 2:30, making his time 5:44. In the hurry and excitement of the finish, the time was announced as 5:14, or just one minute too fast.

In going over the figures yesterday morning this error was discovered. And at once corrected. Leyland rode from the three-minute mark and finished in 5:14, which added to his handicap gave him a total time of 5:31, or nineteen seconds faster than Crockett. This gave J. Harry Leyland the time prize. The error was also corrected in the 4:45, or 3:35 with his handicap added. Redman was second, behind Leyland. He also captured the novice time prize.

Opal Club's First Excursion. The Opal Wheel club will give its first summer excursion on the 25th of this month. Crockett canyon is the destination of the club, where a regular picnic will be arranged. A special train will leave this city at 9 o'clock morning and return again the same day.
